

Instructions for ACL 2019 Proceedings

Anonymous ACL submission

Abstract

This document contains the instructions for preparing a camera-ready manuscript for the proceedings of ACL 2019. The document itself conforms to its own specifications, and is therefore an example of what your manuscript should look like. These instructions should be used for both papers submitted for review and for final versions of accepted papers. **[mb: try1]** or **[rd: try2]**. Authors are asked to conform to all the directions reported in this document. (Gehring et al., 2017)
